The Long Branch Sewerage Authority is offering a twelve (12) month installment plan to satisfy the unpaid balance of sewer charges accrued between January 1, 2021 and March 15, 2022 to be paid in twelve (12) equal payments. To maintain the installment plan, timely payments on arrearages and current amounts due must be made within thirty (30) days of the due date otherwise the installment plan will become void. The installment plan will not require the payment of interest or penalties on the unpaid balance as it existed on December 1, 2021. Interest accruing between March 15, 2022 and the first day of the month of the installment plan will be included in the calculation of the payment plan.
